## DRAFT ANNUAL PLAN 2015-2016 -DETAILED PROGRAMME

**Sub-Sector : Roads & Bridges**

**Scheme No. : 09**

1. Name of Department : Panchayati Raj Institutions
2. Name of Schemes : Construction of Rural Roads.
3. Whether Continuing Scheme or New Scheme : Continuing Scheme
4. Objective/Justification (in brief):

This is a continuing scheme. This scheme is aimed to promote connectivity in the villages through the Panchayati Raj Institutions. The construction of rural roads is to be undertaken either under the PMGSY Scheme of the GOI or under UT plan schemes. With the introduction of Panchayati Raj System, the need to increase internal connectivity in the rural areas has been focused for better movement of men, materials and the produce of the villages for better marketing and thereby for the overall economic growth in the villages. As more and more independent families are coming up year after year, the need of connectivity in the villages has increased. During the 12<sup>th</sup> five year plan 2012-17 it has been targeted to construct the rural roads in the interior part of the islands to protect the interest of the rural people especially, school Children etc.

Further, it is has become essential to carry out immediate repair and maintenance of existing damaged road at various places. Moreover the construction of katcha road executed under MGNREGA has to be upgraded to pucca road.
