DTAFT ANNUAL PLAN 2016-2017 -DETAILED PROGRAMME

Sub-Sector : Roads & Bridges

1. Name of Department : Panchayati Raj Institutions
2. Name of Schemes : Construction of Rural Roads.
3. Whether Continuing Scheme or New Scheme : Continuing Scheme
4. Objective/Justification (in brief):

This is a continuing scheme. This scheme is aimed to promote connectivity in the villages through the Panchayati Raj Institutions. The construction of rural roads is to be undertaken either under the PMGSY Scheme of the GOI or under UT plan schemes. With the introduction of Panchayati Raj System, the need to increase internal connectivity in the rural areas has been focused for better movement of men, materials and the produce of the villages for better marketing and thereby for the overall economic growth in the villages. As more and more independent families are coming up year after year, the need of connectivity in the villages has increased. Moreover the construction of katcha road executed under MGNREGA has to be upgraded to pucca road.

Sub-Sector : Roads & Bridges

1. Name of Department : Panchayati Raj Institutions
2. Name of Scheme : Improvement & Maintenance of Rural Road
3. Whether Continuing Scheme or New Scheme : Continuing Scheme
4. Objective/Justification (in brief):

Most of the old roads constructed in the rural areas requires regular maintenance, improvement, widening and raising of ground level etc. Construction work needs to be undertaken in the form of toe walls, retaining walls and permanent drains etc. The katcha roads constructed by MGNREGA in rural areas at various places are to be improved and upgraded to pacca roads. The growth of population and consequent increase in traffic density has necessitated for widening and improvement of internal village roads constructed by PRIs/APWD and MGNREGA which are under taken under this scheme according to its necessity.
